WORK EXPERIENCE

Freelance | 2021

From the beginning of my studies, I was interested in creating web applications. It turned into more than just a hobby and I started earning money by creating business websites.

TECHNICAL SKILLS:

- Knowledge of JavaScript (ES6), including DOM manipulation and the JavaScript object model
- Thorough understanding of React.js and its core principles
- Strong proficiency in HTML/CSS (SCSS & SASS)
- GIT
- Thorough understanding of Figma / Photoshop
- Experience with common front-end development tools such as Babel, Webpack, NPM, etc.
- Ability to understand business requirements and translate them into technical requirements

NON-TECHNICAL SKILLS:

- Team player
- Excellent time-management skills
- Great interpersonal and communication skills
